A005BD-0209

### Shur-Lok® Junior for Grain Wagons

For boxes up to 9' wide and 15' long. Vehicles not to exceed speeds of 35 mph.

*The easiest, simplest and most affordable tarp system available!* The economical Shur-Lok® Junior keeps the tarp at the top of the box, out of the way – the caps are formulated right into the tarp. One-person operation is fast, easy and safe; you crank the tarp while standing on the ground.

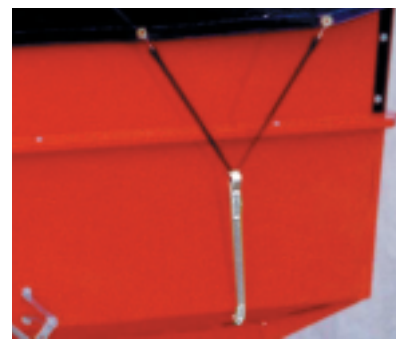

A specially designed Econo-crank with square key allows four-position adjustment of the tarp tension.

Our easy-reach straps with bungee cords enable quick release and are readily accessible for securing the tarp for windy weather and transport.

Recessed tarp stops wrap the narrow top rails of grain wagons and keep the tarp from rolling off. The plastic protective cap protects the tarp from sharp corners.

For more information, give us a call at 800.474.8756. Customer service representatives are standing by to help with any questions you may have.

SEE BOX DETAIL SHEET ON REVERSE SIDE.

Top to bottom: Econo-crank with square key; easy-reach straps with bungees; and recessed tarp stop with protective plastic cover.
